Applicant: Inexco Oil Company

Dear Mr. Commissioner:

Application is hereby made on behalf of Inexco Oil Company for the calling of a public hearing, after ten days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters regarding the Wilcox Sand, Reservoir C, Pine Prairie Field, Evangeline Parish, Louisiana, for which rules and regulations were established and a drilling and production unit was created by Office of Conservation Order No. 32-J-5, effective December 15, 1976, as revised.

4. To confirm Inexco Oil Company as the operator of the WX RC SUA.

5. To find that, except to the extent contrary in the order granted by the Commissioner of Conservation in connection with the hearing held on this application, the provisions of Office of Conservation No. 32-J-5, as revised, shall remain in full force and effect;

6. To provide that the Commissioner of Conservation should be authorized to reclassify the sand and reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of each reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation, and

7. To consider such other matter pertinent to this application as shown by the evidence presented at the hearing held on this matter.
