Honorable James Welsh
Commissioner of Conservation
Office of Conservation
P. O. Box 94275
Baton Rouge, LA 70804-4275

Re: Cam 2 RA SUA
Mermentau River Field
Acadia Parish, Louisiana

Dear Commissioner Welsh

Application is hereby made on behalf of LOUISIANA ONSHORE EXPLORATION, L. L. C. for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the establishment of rules and regulations and the creation of a single drilling and production unit for the exploration for and production of gas and condensate from the Camerina 2 Sand, Reservoir A, in the Mermentau River Field, Acadia Parish, Louisiana:

1. To create a single drilling and production unit to be designated CAM 2 RA SUA for the exploration for and production of gas and condensate in the Mermentau River Field, Acadia Parish, Louisiana.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acre basis of participation.
3. To designate Louisiana Onshore Exploration, L. L. C. as operator of the proposed unit.

The Camerina sand, Reservoir A, in the Mermentau River Field , Acadia Parish, Louisiana, was previously defined in Office of Conservation Order No.859-A, effective June 1, 1979, as being that gas and condensate bearing sand encountered between 12,456 feet and 12,510 feet, electrical log measurements, in the Quintana Petroleum Corporation-C. A. Cary No. 1 well located in Section 64, Township 10 South, Range 2 West.

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from Frank W. Harrison, Jr., P. O. Box 51943, Lafayette, Louisiana, 70505, Telephone number (337) 232-4031.

A conference to discuss the proposed application and any opposition thereto was held at 10:30 A.M. on Friday, May 30, 2003, at the Petroleum Club of Lafayette, 111 Heymann Blvd., Lafayette, Louisiana. The basis for the Applicant's proposal was presented by Frank W. Harrison. He then answered questions of those attending the conference. No opposition to the proposal was indicated and no counter proposals were presented. No opposition to this application is expected.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal and a list of names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished by the undersigned to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties, and Represented Parties.

Also enclosed is a check on behalf of the applicant, Louisiana Onshore Exploration, L. L. C., in the amount of $755.00 **made payable to the Office of Conservation** and representing the required hearing application fee.

Yours very truly,

Frank W. Harrison, Jr.
