Baton Rouge, LA 70804-4275

Re: **APPLICATION FOR PUBLIC HEARING**
Proposed Additional Alternate Unit Wells
Hosston Formation
HOSS SUJ
Athens Field
Claiborne Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of **PAR MINERALS CORPORATION,** (Applicant), to the Commissioner of Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Hosston Formation Athens Field, Claiborne Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize an additional alternate unit well, in exception to the spacing provisions of the 48-B Series of Office of Conservation Order, for the production of gas and condensate from the Hosston Formation in the unit designate HOSS SUJ, Athens Field, Claiborne Parish, Louisiana, such unit and well shown on the attached plat and being made a part hereof.

2. To find that the proposed alternate unit well is necessary to assist in draining a portion of the Hosston Formation in the HOSS SUJ that cannot be drained by any other well located therein.

3. To permit the unit operator to produce the assigned unit allowable from the unit well, the alternate unit wells or from a combination of all wells at its discretion.

4. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

The Hosston Formation in the Athens Field, Claiborne Parish, Louisiana, was defined in Office of Conservation Order No. 48-B, effective June 7, 1950 and was further defined in Office of Conservation Order No. 48-B-20, effective February 1, 1980.

The pertinent data pertaining to this application is available for inspection at the Offices of Bob F. Anderson, PE, Inc., 400 Travis Street, Suite 209, Shreveport, Louisiana 71101. Any person wishing to inspect such data should call Bob Anderson 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is otherwise not available from the Office of Conservation can be obtained **at the expense of the requesting party**.

The subject matter of this application does not require a pre-application notice.

Pursuant to the revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this application is being sent. A copy of this letter and the attached plat is being sent to the Interested Owners, Represented Parties and the Interested Parties as shown on the attached list and a copy of this letter, plat and list of parties is being sent to the Commissioner of Conservation and Shreveport District Office of Conservation. Upon receipt of the Legal Notice, it will be posted in a prominent place in the area of the Athens Field, will be published in a newspaper with a circulation in the area of the field and will be sent to all parties to whom this letter is being sent.

Attached is our check, made payable to the Office of Conservation, to cover the applicable hearing fee.

Yours truly,

B. F. Anderson, PE for
PAR MINERALS CORPORATION
