RE: Alternate Unit Well
Hosston Formation, Reservoir A, SUH
WEST SIMSBORO FIELD
Lincoln Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of The Prospective Investment and Trading Company, Ltd. for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the HOSS RA SUH, located in West Simsboro Field, Lincoln Parish, Louisiana, created by Office of Conservation No. 327-B-2, effective August 1, 1980, as amended and supplemented by the 327-B Series of Orders.

1. To designate The Prospective Investment and Trading Company, Ltd. (formerly Energy Development Corporation) - Sumlin No. 1 Well (S.N. 216793), located in Section 15, Township 18 North, Range 4 West, in the West Simsboro Field, Lincoln Parish, Louisiana, as an alternate unit well.

2. To consider such other matters as may be pertinent to this application.

The designation of the well, as an alternate unit well is necessary and in the interest of conservation to efficiently and economically drain a portion of the HOSS RA SUH which cannot be efficiently and economically drained by any existing well within such unit.

The Hosston Formation, Reservoir A, in the West Simsboro Field, Lincoln Parish, Louisiana, was previously defined in Office of Conservation Order No. 327-B-2, effective August 1, 1980, and was redefined in office of Conservation Order No. 327-B-6, effective March 4, 1986.

There is attached hereto and made a part hereof a plat outlining the HOSS RA SUH, the present unit well and the proposed alternate unit well. Pursuant to the Revised Rules of Procedure, a list of names and addresses of the Interested Owners, Interested Parities and Represented parties to whom this application is being sent is being furnished only to the Commissioner of Conservation and to the District Manager of the District of the Office of Conservation. However, the list will be provided to any party requesting a copy. A diligent effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties as required by the Revised Rules of Procedure.

Finally, there is enclosed our check on behalf of the applicant, The Prospective Investment and Trading Company, Ltd., in the sum of $700.00 payable of the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES
