Energy Rated Homes of Louisiana

June 6, 2006

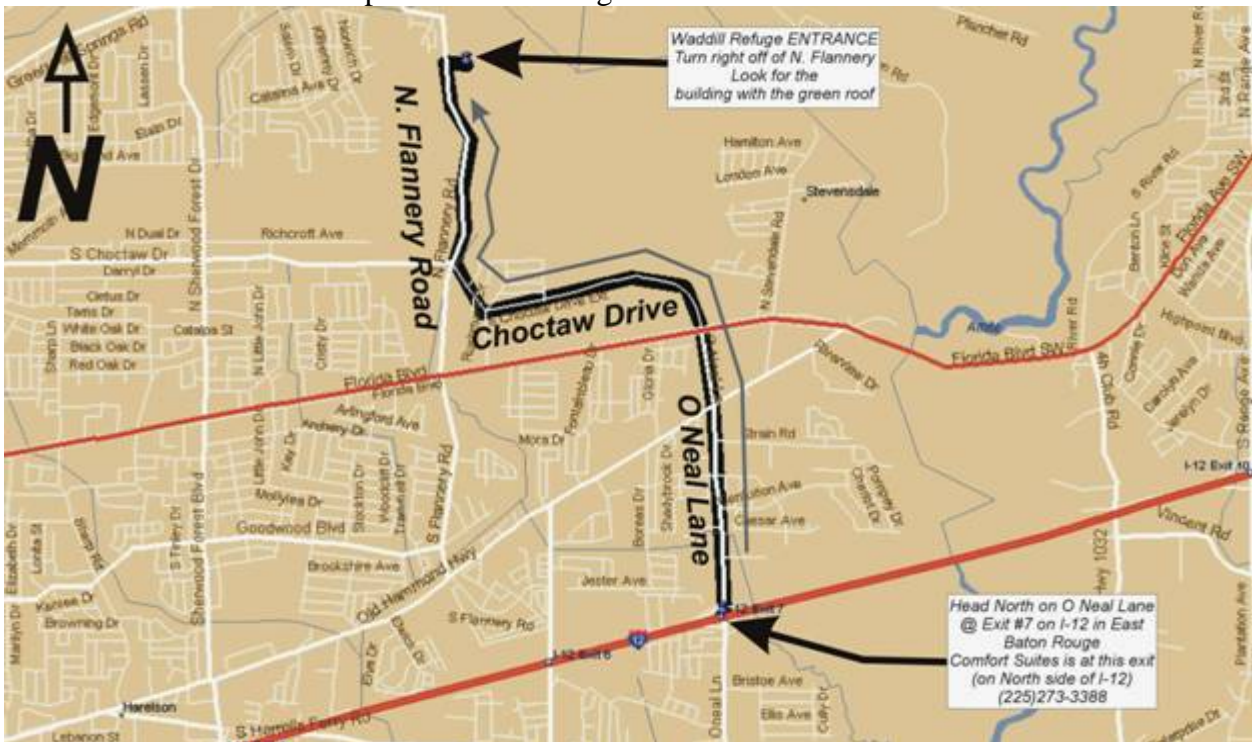

(Issue XXX, 2006-06)

To: All Louisiana Energy Raters
From: Jerry Heinberg, AIA
RE: Annual Mandatory Raters Meeting

MANDATORY RATERS MEETING: Please see the agenda and plan to attend on June 28, 2006. Remember that you must attend the meeting in order to maintain your certification as an active home energy rater or to retain your status as a rater who is currently non active. **Several major changes are forthcoming. Please see attached agenda for further information.** Any certified or non active rater who does not attend the meeting will be removed from our contact list of home energy raters. Please RSVP to howardh@dnr.state.la.us.

ERHL is offering Two (2) C.E.U.'s for each rater who attends the Rater review meeting. Raters are reminded that they must obtain 12 C.E.U.'s every three years to remain raters in the HERO Program.
