

COMPLIANCE TOOLS

for the
Louisiana Residential Energy Code &
Commercial Building Energy Conservation Code

PRESENTED BY

LA DEPARTMENT OF NATURAL RESOURCES TECHNOLOGY ASSESSMENT DIVISION

When:

January 16, 2008 – Baton Rouge

April 9, 2008 – Mandeville (Cancelled)

March 5, 2008 – Thibodaux

Who should attend?

Architects, Engineers, Contractors, Building Officials, Residential Designers and Other interested parties

Registration Fees:

\$5.00 per person per location (lunch included between sessions)

Why attend either or both:

MORNING SESSION:

Single family, and duplex residences are now reviewed for Energy Codes for the first time in LA history. Energy Code compliance reports must be submitted with the plans to the Building Official to avoid problems with the Permit. This session will provide an overview of ResCheck Residential (free) software used to document compliance with the IRC 2006 energy code. A question and answer session will follow.

AFTERNOON SESSION:

Plans for each New, Addition to or Renovated Commercial building must be submitted to the LA State Fire Marshal for review. This session will demonstrate ComCheck free Software to document compliance with the LA Commercial Building Energy Conservation Code and ResCheck for Low-Rise Residential Energy Codes. A question and answer session will follow.

How to register:

- 1) Mail completed form and registration fee(s) to:
LSUS – Continuing Education
